Please note Latin cannot be accepted as a modern language and appears in Col I.

Stage 1

	Write your selections here
Social	
Technology	
Creative	
Science	
Any other	

(This could be Latin or any other subject)

Stage 2 (follow the steps)

To see if your combination of subjects is allowed on the timetable, follow these steps. (Use a pencil)

Circle one subject in each column. This is because subjects in each column are timetabled at the same time.

Step 1 Circle 'French' in column E or H.
Step 2 Circle the Social subject you want. You have a choice of column D, F and I.
Step 3 Circle the technology subject you want. You have choice of several columns.
Step 4 Circle the remaining subjects from the other modes making sure you only pick one subject in each column.
Step 5 Fill in the boxes at the foot of the table. These will be entered into the computer.
